

Fans Surprised By Marlinton

Marlinton was another of the big surprises in the sessions. They were not considered to be one of the stronger teams in the tournament. They quickly convinced the doubters.

By far they had the most dedicated, hustling team there. They completely dominated the battle with Fort Ashby in the semi-final round.

Three of the starters for Marlinton played on the football team that won the state class A crown. With all that speed and quickness, they easily outmaneuvered, out handled and out shot the Fort Ashby five.

The Copperheads had little trouble in taking the game while winning the hearts of the 3,000 fans. I would have guessed that Barrackville, the other semi-final winner, couldn't match or even get near Marlinton in the championship contest.

This was another misconception on my part. They too lost by a big margin to Barrackville in the finale. What could have happened over night? It may have been over confidence or they could have been tired.

I'll probably never know and perhaps no one else will either. One good guess could be that they tried too hard.

Coach Elmer Friel badly wanted a title in both football and basketball in one season just as much as the players themselves. They could have been too keyed up.

Teddy Dunbrack, one of the backfield men on the football team, was an outstanding figure in the victory Friday night. He tied the state tournament mark in assists by making 10. He was literally all over the floor and I suppose he came pretty close to the record in steals made.

Marlinton Whips Webster Springs

MARLINTON — Webster Springs found Marlinton too much to contend with here Friday night as the Copperheads trampled the visiting combine 110-68.

Marlinton held a 23-12 first period lead and a 51-31 lead at the end of the first half of action.

In the third period the Copperheads exploded for 37 big points to increase their lead to 88-50 going into the fourth and final period of play.

Marlinton refused to let up as it outscored Webster Springs 22-18 in the final period for the victory.

Marlinton showed a well balanced scoring attack as it placed four players in double figures with three hitting the twenties.

Ted Dunbrack and Jim Irvant topped the Copperheads' scoring attack with 29 and 28 points respectively while Harry McCloud added 17 markers to the winning use.

For Webster Springs three players hit in double figures with Eric Williams leading the way with 20 points while Robert McCloud and Steve Root added 12 and 11 markers respectively for the losers.

Marlinton Meets Fort Ashby Five; Lions Vs. Bisons

By Skip Johnson

Marlinton, with a sparkling 23-2 record, and Fort Ashby, no stranger to the Civic Center, meet at 1:30 p.m. today in the opening game of the state Class A basketball tournament.

The other Class A semifinal game at 7:30 p.m. pairs two-time state champion Barrackville against Harts, the pride of Lincoln County.

The afternoon game will feature the Class A field's top scorer — 6-3 center Rodney Knotts of Fort Ashby — who scored 64 points in a game against Ridgeley on Jan. 19. His second high game was 53 points against Paw Paw. Knotts' outburst against Ridgeley broke the Potomac Valley Conference record of 62 points held by Carl Hartman of Ridgeley. Hartman later starred at Alderson-Broadus College

boards. "The backboards in our own gym are metal and flush against the wall," Friel explained, "and a protruding balcony limits shooting from the corners."

Ivan Withers, 6-1½ forward, is Marlinton's leading scorer with a 21.6 average. Other starters are 6-2 Jim Irving at forward, 6-1 Tom Clutter at center, and 5-10 Ted Dunbrack and 5-11 Harry McCloud at guards.

Marlinton's strongpoint has been teamwork and scoring balance. The Copperheads lost only to Union during the regular season, 78-69, and to Meadow Bridge in the Greenbrier Valley Conference playoff, 79-78.

BARRACKVILLE is the only team in the Class A field that has previously tasted the sweet fruits of a state title. The Bisons won in 1956 and 1961 and were runner-

er — 6-3 center Rodney Knotts of Fort Ashby — who scored 64 points in a game against Ridgeley on Jan. 19. His second high game was 53 points against Paw Paw. Knotts' outburst against Ridgeley broke the Potomac Valley Conference record of 62 points held by Carl Hartman of Ridgeley. Hartman later starred at Alderson-Broadus College and is currently coaching at Davis & Elkins College.

Knotts averaged 27.5 points per game during the regular season and 23.8 during the tourney.

Fort Ashby's other starters are 6-2 Jim Allen and 6-1 Dennis Liller at forwards and 6-1 Bernie Wolford and 5-11 Tom Pyles at guards. Wolford averaged 17.1 points during the regular season.

Fort Ashby played in the 1965 state tourney at the Civic Center and lost to Gary District in the finals. Rodney Knotts' brother, Ray, played on the '65 team.

The Eagles, who have a 19-6 record, are coached by Quentin Sayers, a veteran of 14 years at the Eastern Panhandle school.

MARLINTON POSTED its standout record—tops in the Class A lineup—despite having to play its home games at neighboring Hillsboro High School after the Copperheads' own gym was damaged by fire.

Coach Elmer Friel's Pocahontas Countians worked out Wednesday evening at DuPont High School to get a taste of shooting at Civic Center-type back-

been teamwork and scoring balance. The Copperheads lost only to Union during the regular season, 78-69, and to Meadow Bridge in the Greenbrier Valley Conference playoff, 79-78.

BARRACKVILLE is the only team in the Class A field that has previously tasted the sweet fruits of a state title. The Bisons won in 1956 and 1961 and were runners-up in 1964.

Coach Nate Crescenzi's team is led by 6-7 Ronnie Martin, the tallest starter among the Class A club.

Barrackville has only 55 boys in its upper three grades—making it the smallest school in field here—but the Bisons fought their way through a strong regional. They defeated Sistersville and its high-scoring 6-8 Mike Carson in the regional finals, 60-55.

Guard Willie "Jo Jo" Borden is Barrackville's leading scorer with a 17.0 average. Martin is averaging 16 points per game.

Borden and Doug Ice, the other Barrackville guard, are regarded as excellent ball handler and they may be put to a stiff test tonight against Harts—a team that likes to press.

Coach Kyle Garretson's Lions run and press to compensate for a lack of height. Their starters are 6-1 Bud Lambert, 5-10 Jerry Richards, 5-9 Jerry Thompson, 5-9 Sonny Frye and 5-7 Elmer Lucas. Frye is the Lions' leading scorer with an 18.6 average.

Barrackville brings a 19-4 record to the tourney, while Harts is 16-7.

Marlinton Boasts 83 Average; Knotts Is Ft. Ashby Threat

Shades of Marshall, St. Peter's and the NIT!

The Friday sessions of the high school state tournament open with two of the state's highest scoring teams, Marlinton and Fort Ashby, trading baskets in a Class A game.

The Class 'A' entries often offer wild and high-scoring battles. Even officials of the National Invitation Tournament in New York, wise in the ways of pairings, agreed that such an opener was the best when they paired two of the nation's most offensive-minded clubs, Marshall and St. Peter's, in their lid-lifter.

Marlinton (23-2) and Fort Ashby (19-6) clash at 1:30 p. m. The second Class 'A' game pits Harts (16-7) against Barrackville (20-4) at 7:30 p. m.

Marlinton, rolling with more ease in tourney play than during the regular season, is averaging 83.4 points a game to Fort Ashby's 75.2 points. The latter is the most explosive, hitting highs of 117, 114 and 108 points.

After watching his Copperheads win sectional and regional games by margins of 34, 18, 10, 13 and 22 points, Marlinton coach Elmer Friel admitted, "We've played well in the tournaments. I was very pleased in the regional, and in the sectional the competition was not as good and we were ragged."

Marlinton's starters with

IVAN WITHERS, 6-2 junior, 22 points; Jim Irvine, 6-2 senior, 16 points; Tom Clutter, 6-1 senior, 12 points; Ted Dumbreck, 5-10 junior, 17 points; Harry McCloud, 5-11 junior, 15 points.

Top men on the bench are 6-3 sophomore Joe White, 6-1 senior Tiny Shinnaberry and 5-9 John Kenny.

"WE MOVE the ball well and are unselfish," noted Friel. "Everyone can score in double figures, so no opponent can concentrate on one boy. Everyone can score 25 points and all have been in the 20's."

Friel is a graduate of New Mexico Highlands where he played football with Charleston Rockets star Bill Miller, and has been at Marlinton eight years.

'Basic Football' Listed As Marlinton's Success

By NELSON SORAH

Post-Herald Sports Editor

Coach Elmer Friel of Marlinton lists 'basic fundamentals' as the secret to his success in football at the school.

He must know what he is talking about. The Marlinton Copperheads now have a streak of 15 victories without a defeat going for them.

They won the state single A football title last year over Wirt County, 26-0, after going through a 10-0 schedule undefeated. Added with one victory from the 1966 season and three thus far in this year's campaign, that makes a total of 15.

"I think teaching high school players the basic fundamentals of football is one of the major factors in my success," said Friel. "We work on blocking and tackling every day along with our kicking game."

Apparently his philosophy has been the right one. The Copperheads are well on their way to a second undefeated year and possibly another shot at the state football crown.

Another of the winning factors in Friel's favor is his single-wing offense. Most of the teams on his schedule will have to defend against it only once a year. Their game with Marlinton.

"Unfamiliarity is definitely one of the advantages for us. We can use the single-wing for a strong running game and at the same time, have three

potential pass receivers."

Friel picked up his fundamental football and single-wing teachings as early as his high school days at Marlinton.

He played four years at Marlinton with the single-wing and emphasis placed on blocking and tackling and then went to New Mexico Highlands University where Ken Wheeler, now coach at Beckley, was backfield coach and taught the single-wing and blocking and tackling.

"I guess this type of game is all I really know well," said

Friel. "I know more of the single-wing than all other offensive formations."

To complement his knowledge, Friel has an experienced backfield, most of them back from last year.

Ivan Withers, an all-stater on last year's team, is back and has scored seven touchdowns already. Teddy Dunbrack, starter last year at tailback and Mike Cain last year's wingback all are running for the Copperheads.

The most inexperienced spot in the backfield is at quarterback. Doug Morris, who started half of the '67 games is manning the slot.

Friel feels his offense has been the winning phase of the game for him thus far but quickly notes that his defense hasn't been scored on yet. "Our second team has been scored on but not the starters," Friel said.

The defense has helped in a 67-7 victory over Hillsboro, 48-19 win over Franklin and last week a 40-6 beating of Webster Springs.

"At the start of the year we figured Webster Springs would be the toughest team on our schedule but now we'll have to contend with Ansted, Union and Green Bank as possibly the best."

Asked if he would like to repeat last year's title winning, Friel said, "We always think of winning the title but we'll consider that more at the end of the season."

Marlinton Upsets Wildcats, 24-13

By Register Staff Writer

MARLINTON — The Marlinton Copperheads knocked the unbeaten record of the Webster Springs Wildcats into a cocked hat Saturday and stretched their own undefeated string to three straight, a 24-13 upset triumph.

The Wildcats had been touted one of the top contenders for the state Class B crown, an honor they won in 1947.

Elmer Friel was the big threat in the Wildcat side. The five-foot

The Wildcats counted first with Hunter going over from the five after a 61-yard march with the opening kickoff.

Marlinton went ahead with two touchdowns in the second period, Friel scoring from the five shortly after the Copperheads had recovered a Wildcat fumble on the 30. Friel's 30-yard pass to Mays accounted for the second TD.

The deciding marker was chalked up in the third quarter on a 23-yard scamper scored and by Friel. The play before he had passed 31 yards to Lee White.

Webster's final tally came on the longest play of the game, a pass from E. Miller to Reynolds covering 61 yards. French Moore, a sub, scored the last six-pointer for the host team on a 44-yard dash around the wing. The lineup:

Lewisham's only more than the second period also. A Maritime Canada ship in their waters set up this mine. Following a succession of plays, ships were over lines the last. The entire point was good and the half ended with the mine.

The second half saw the Mustangs take the kick-off and work right on the field for a while. Backed for the hard hitting of Jimmy Friel and Fred Johnson, the team drove the ball down the field from where the Mustangs were pinned, but a punt off the center of the field stopped all the momentum.

The Marlinton Copperheads defeated the Lewisburg Senators on the gridiron here last Friday by a score of 12-7.

There was no scoring in the game until the second quarter. Midway in this period Lee White drifted back and heaved a long pass up field where it was taken in by Bob Mace, who trotted over for the touchdown. The play covered 43 yards. The try for the extra point was unsuccessful.

Lewisburg's only score came in the second period also. A Marlinton fumble deep in their own territory set up this score. Following a sequence of plays, Boyse went over from the four. The extra point was good and the half ended with the score 7-6.

The second half saw the Marlinton team take the kick-off and march right up the field for a touchdown. Sparked by the hard running of Elmer Friel and Fred Shaefer, the locals drove the ball to the 25-yard line from where Elmer Friel went around left end and stepped off the remaining

Marlinton Copperheads Down Webster Springs In Hardfought Contest Saturday

By Gerald Gordon

The rugged Marlinton Copperheads won their third consecutive game of the season and at the same time knocked off one of the state's top class "B" contenders here last Saturday evening by scoring a decisive 24-13 victory over the Webster Springs Wildcats.

Webster Springs started the game off as if they would roll to their second straight victory by taking the opening kick-off and marching to a touchdown. Following a sustained drive, Hunter went over from five yards out for the touchdown. The extra point was good on a pass from Miller to Reynolds.

The first quarter ended 7-0 but from then on in it was all Marlinton. Throughout the remaining three periods the Wildcat team was able to gain only 24 yards through the strong Copperhead line.

The first local touchdown was made following a Webster Springs fumble on their own 30 yard line. Elmer Friel went over from five yards for the touchdown.

After holding Webster Springs on downs, the Copperheads set up their second touchdown when Elmer Friel drifted back and tossed one downfield where Lee

Marlinton took the second-half kickoff and turned it into their third score. Following several ground plays, Friel passed up-field 31 yards to Lee White, setting the ball on the 25 yard line. From there Friel bulled his way around the left end 25 yards to pay dirt.

In the fourth quarter Webster Springs tried to make a comeback by scoring again. A pass was fumbled by its intended receiver, Hunter, but Reynolds snagged it out of the air and raced to a touchdown, making the score 18-13.

But the Copperheads were not to be denied this all important victory. "Bubbles" Moore, 118 pound player, set up Marlinton's last touchdown by zig-zagging his way around the right end for 44 yards.

Elmer Friel registered the last score, stepping off ten yards around end, making the final score 24-13.

Elmer Friel was the outstanding player on the field. He gained 125 yards through the Wildcat line in addition to passing and playing a bang-up game on the defense.

SHAFER & FRIEL PLAY FOR COLLEGES

The papers are full of stories about Freshmen who make college squads but some way or other the Copperhead is a little on the slacker side when it comes to playing up the fact that two of our own last year's football squad are now on college line-ups.

Up at Potamoc State Fred Shafer is making a name for himself and down at Marshall there is a good bit of talk about Elmer Friel, that short, husky little fellow who really gave old Greenbank many a hard fight.

The Copperhead proudly salutes these two fine young players.

Marlinton Overpowers Hillsboro Gridders By 38-0 Score In Contest Last Saturday

By GERALD GORDON

The Marlinton Copperheads continued their winning ways at Hillsboro last Saturday by defeating the outclassed Red Devils 38 to 0. The Copperheads displayed a powerful ground attack that accounted for five touchdowns. The other score was chalked up on a long pass play.

It was evident immediately after the kick-off that Marlinton would be victorious. Fred Shaffer scampered 37 yards on the first play from scrimmage, and following a 33-yard drive, Curtis Carr went over untouched for the first touchdown. Elmer Friel's kick from placement was good for the extra point.

The Copperheads' second touchdown was registered following Herb Morrison's 32 yard runback on an interception of a Hillsboro pass. Lee White then carried the mail over from the four for his first of two touchdowns.

In the second quarter, Elmer Friel, Marlinton's triple threat, ran back and heaved a 27-yard touchdown pass to Lee White, who scooted across the goal line and the teams left the field at half-time with the Copperheads sporting a 19-0 margin.

The Copperheads continued their merciless assault in the second half. Elmer Friel went off tackle 14 yards, Fred Shaffer plunged across from the one-yard line, and fleet-footed Bob

Mace dashed 21 yards for the remaining Marlinton touchdowns. Bob Dilley ran across for the last extra point.

The Copperheads have now won four in a row and are among the few unbeaten "B" teams in the state. Three of these victories have been in conference competition and the team is still on top in the Northern Greenbrier race.

In the Hillsboro game the Copperheads averaged a phenomenal $9\frac{1}{2}$ yards every time the ball was snapped from center. Fred Shaffer and Elmer Friel, two of the outstanding backs in the area, paced the team, gaining 97 and 73 yards respectively.

The Copperheads will face a tough opponent this Friday when they take on Alderson. Marlinton will be trying to keep their record unblemished, while Alderson is trying to regain their winning ways. The game starts at 1:30 o'clock on the M. H. S. field.

FRIEL HONORED BY W.S.H.S.

The students of M.H.S. should feel honored that one of our players was selected to be on the all-opponent team picked by the White Sulphur. The "Green Devil" boys named Elmer Friel as the best right guard they had played against this year. This is Elmer's second year at football and next year we all hope he gets top honor. Elmer plays as well in the back field as he does on the line and, in other words is a fine all around football player. This is the all-opponent team picked by W.S.H.S.

Into His Gates with

Many years have passed since our forefathers, first landed in America that necessity which we need--Freedom.....For thoughts and actions of worshipping God and His beliefs.

Now that over a century has passed since the Plymouth Rock, men are more are found haggling for freedom.

It seems that we were unable to make it from monarchies without creeping into the government taking over. It seems nature made a great mistake in instilling a desire for freedom in the souls since it is evident that too many persons let their personalities dominate their character. Each day,
